JUNIOR STAFF RULES AND GUIDELINES

Because Junior Staff members are in a position of influence with the campers, we strive to maintain a level of purity and integrity that is unquestionable. We realize that many of the guidelines are "above and beyond" what may be considered acceptable. We ask that you comply with these standards in an effort to exemplify for these young campers a model of excellence that is clearly the mark of a Christian young person.

Curfew:

- All junior staff members must be in their beds immediately after campfire (same as the campers). The director must approve any exceptions to this.
- If the junior staff has displayed obedience to the curfew rules, there will be one evening per week that the junior staff will be allowed to stay up until 10:00pm. This privilege is at the discretion of the director.
- Daily rest hour privileges are at the discretion of your immediate supervisor or the director.

Belongings

- Junior Staff is subject to the same guidelines as the campers in the area of belongings.
- No possession or use of drugs, tobacco, or alcohol
